THE MINISTER OF STATE OF THE MINISTRY OF FOOD AND CONSUMER AFFAIRS (SHRl RAGHUVANSH PRASAD SINGH): (a) to (d) As per the information furnished by the State Govei-ament of Maharashtra the number of children who have died in the last three years in the Melghat region of Amravati district in Maharashtra is as follows:—

Year	No. of deaths
1994 .	1119
1995 .	1099
1996 .	1451

Upto July, 1997 a total of 323 children have in this region and none of the children died due to want of food.

The Public Distribution System is joint responsibility of the Central Government and the State Governments. while the Central Government procures and makes available foodgrains in bulk to the States the responsibility of distribution to the consumers rests with the State Government. The State Govem-nient of Maharashtra have reported that regular and adequate supplies of food-grains are being maintained in Melgha-area. Considering the special needs of the area the State Government have fixed higher scale of distribution, oPened Fair Price Shops (PPS) in 21 villages, provided 24 temporary godowns with foodgrains in the villages which have no access during rainy season, supplied foodgrains on credit to the Fair Price Shops and deployed 10 vehicles for delivery of foodgrains to the doorstep of FPSs. FCI has made available adequate quantities of foodgrains continuously in their depots in Amravati and Wardha.

GiddeliDes laid for private sector

*268. SHRI SOUPETA RAMACHANDRA REDDY : DR. Y. LAKSHMI PRASAD :

Will the Minister of POWER be pleased to state:

(a) the guideline laid down by Government in regard to power tariff for private power sector;

(b) whether the power generated in private sector in the country is costlier than that of the power generated in Public sector; and

(c) if so, ths details and the reasons therefor?

THE MINISTER OF STATE OF THE MINISTRY OF saENCE AND TECHNOLOGY AND THE MINISTER OF STATE OF THE MINISTRY OF POWER (SHRI YOGINDER K. ALAGH): (a) The tariflF for sale of electricity by generating companies, both in public and private sector, is to be fixed in accordance with the tariflE notification issued by Government cf India 30-3-1992 (as amended from time to time)

(b) and (c). The tariff of a power station is dependent upon its completed cost: technology, funding pattern, interest rate, type, price and source of fuel; taxes and duties of fuel and equipment; year of completion; electricity pricing laws and regulation etc. These factors render comparability of the tariffs of different plants difficult.

Mega Power Projecb in Gujarat

*269. SHRI VEDPRAKASH P. GOYAL: Will the Minister of POWER be pleased to state:

(a) whether it is a fact that Government of Gujjarat has planned to set up a Mega Powei- Project based on L.N.G.;
